

SSI Press Release – Management

As a part of its management succession programme the Board has appointed Kenneth Ross (47) as new chief executive officer of Siem Shipping Inc with immediate effect. Kenneth Ross has been COO since October 2008. He joined the Company in 1998. Prior to joining Siem Shipping he worked in various commercial roles within the Vestey Group, owner of the Blue Star Line.

The Board commented "Simon Stevens is handing over to Kenneth Ross a company that is in good shape and we are grateful to Simon Stevens for his dedication and contribution for developing the Company".
